

## **24v base station power supply**

## Overview

---

What is a ps-24v power supply module?

The SpaceLogic PS-24V power supply module is designed to accommodate the specific power requirements for the AS-P server and its connected I/O modules. The module accommodates 24 VAC or 24 VDC input power. The power supply module delivers output power of 24 VDC.

Where can I buy 24 volt DC power supplies?

TRC Electronics stocks a comprehensive selection of 24 Volt DC power supplies from the industry's leading power supply manufacturers. Hundreds of different 24Vdc power supply models to choose from and ready to ship today. TRC's power specialist team maintains the highest qualifications of power supply knowledge.

What is a 24 V DC power supply?

An efficient and reliable 24 V DC power supply is mission critical for many one-phase and three-phase systems - whether you have to supply robust electro-mechanical or highly sensitive electrical loads. Our switched mode power supply units are based on more than 40 years of experience and are equipped with state-of-the-art power technology.

What are the dimensions of a 24 volt power supply module?

The module accommodates 24 VAC or 24 VDC input power. The power supply module delivers output power of 24 VDC. Its dimensions are 114 mm (4.5 in.) in height, 90 mm (3.6 in.) in width and 64 mm (2.5 in.) in depth. Plastic flame rating is UL94-5VB and the ingress protection rating is IP20.

Where can I find information on 24V power supply units?

For more information on 24V Power Supply units call us NOW on 01200 428 410. The Safety Centre offers a huge range of 24V Power Supply Units including Custom Electronics fully monitored and C-Tec door magnet release

power supplies. Furthermore we provides the EN54 compliant power supplies from Eldeme and C-Tec.

What 240 watt power supplies are available?

PULS offers a variety of efficient and reliable 240 W power supplies with a DC 24 V output voltage and 10 A output current for 1-phase and 3-phase systems. PULS DIN rail power supplies. Ready for the highest demands of your 24 V DC system.

## 24v base station power supply
