

Angola Customized Outdoor Power Supply

Overview

Are there electrical outlets in Angola?

No, the electrical outlets in Angola are different from those in the United States. In Angola electrical outlets of type C are used, while the United States has electrical outlets of types A & B. Do I need a travel adapter for Angola?

The electrical outlets and power plugs in Angola are of type C (see images).

Do I need a power plug adapter in Angola?

You'll need a power plug adapter. Type C - The standard European plug. Commonly used in Europe, South-America and Asia, but also in quite a few other countries. Plugs of type E and F will also fit in a type C outlet. Angola only has one type of power plug; the ungrounded European style type C (Europlug).

What is the standard voltage for power sockets in Angola?

All power sockets in Angola provide a standard voltage of 220V with a standard frequency of 50Hz. You can use all your equipment in Angola if the outlet voltage in your own country is between 220V-240V. This is the case in most of Europe, Australia, the United Kingdom and most countries in Africa and Asia.

Can I use a charger in Angola?

Chargers for iPhones, Android phones and other smartphones or cell phones are usually dual voltage, so you can use them all over the world. However, it is possible you'll need an adapter to plug the charger into a Angola outlet. Angola uses electrical outlets and power plugs of type C (see images).

Which plugs fit in a Type C outlet in Angola?

Plugs of type E and F will also fit in a type C outlet. Angola only has one type of power plug; the ungrounded European style type C (Europlug). If you're not

sure whether the outlets and plugs used in your country are the same as in Angola, you can use the tool at the top of this page to check if you need a travel adapter.

What voltage is used in Angola?

The voltage used in Angola is 220V with a frequency of 50Hz. If the voltage and/or frequency in your country is different, you may need a voltage converter if your hair dryer, hair straightener or curling iron is not compatible with this.
