

# **Base station pole distribution box**

## Overview

---

How many amps does a power distribution box have?

Our power distribution boxes range from 20-800 Amps and are well known for being durable, long lasting and safe. Load Master™ Series portable power distribution boxes are the first in the industry to feature outputs with adjustable current ratings to match specific application loads.

Are Lex power distribution boxes safe?

Lex Products offers a full range of portable power distribution boxes and units, specifically engineered for indoor and outdoor use for the entertainment, industrial and military industries. Our power distribution boxes range from 20-800 Amps and are well known for being durable, long lasting and safe.

What are load master TM series portable power distribution boxes?

Load Master™ Series portable power distribution boxes are the first in the industry to feature outputs with adjustable current ratings to match specific application loads. These temporary power distribution boxes feature 1, 3 or 4 adjustable circuit breakers, with a range of amperage and voltage ratings.

What is a pole mounted enclosure?

Pole Mounted Enclosures from Polycase Polycase offers several series of outdoor enclosure models designed for pole mount applications. These outdoor electrical enclosures are made from sturdy materials like stainless steel and aluminum, as well as non-metallic options like polycarbonate plastic.

What is a pole mount bracket kit?

Our pole mount bracket kits (sold separately) have been designed to pair perfectly with a designated plastic or metal enclosure series to complete your pole box solution. Mounting equipment on power poles is a frequent practice in many applications involving outdoor electrical wiring.

How many amps does a Lex distribution box have?

Lex Products distribution boxes range from 20-800 Amps and are known for their unprecedented durability, safety and reliability. Whether you need a power distribution box for backup power, emergency relief or indoor/outdoor events, Lex Products has you covered.
