

Brunei Solar Mobile Project

Overview

Built on a 332,900-square-meter former landfill site in Kampong Belimbing, Mukim Kota Batu, the plant will generate over 64,000MWh of clean electricity annually. Beyond power generation, the project will reduce reliance on fossil fuels by displacing over 219,000 MMBtu of natural gas consumption.

Brunei Solar Mobile Project

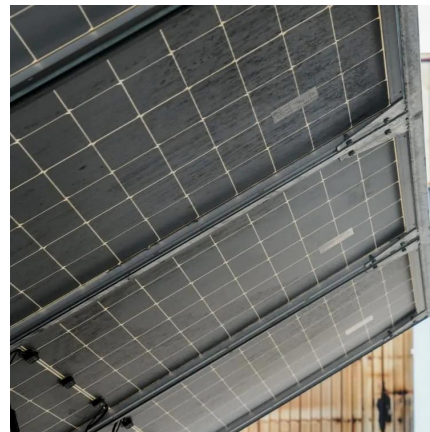

Brunei inks agreements for mega solar project in its efforts for

Brunei has signed agreements to establish a 30-megawatt solar photovoltaic power plant in the country, the local daily Borneo Bulletin has reported.

Solarvest JV breaks ground on 30-MW solar park in Brunei
