

# **Congo communication network base station**

## Overview

---

How many radio stations are there in Congo?

There were 20 radio stations in the Democratic Republic of the Congo as of 1999. Radio is the dominant medium, with a handful of stations, including state-run Radio-Télévision Nationale Congolaise (RTNC), broadcasting across the country.

Who was not informed about RTNC interference in Congo?

Radio-Télévision Nationale Congolaise (RTNC), the state-run national broadcaster, was interfering in Congo. The then Telecommunications Minister Thomas Luhaka was not informed of such interference by the government.

What radio station is popular in Kinshasa?

Radio France Internationale (RFI), which is widely available on FM, is the most popular news station in Kinshasa. The BBC broadcasts on FM in Kinshasa (92.7), Lubumbashi (92.0), Kisangani (92.0), Goma (93.3) and Bukavu (102.2).
