

Hetong 5G base station in Sao Tome and Principe

Overview

Does Sao Tome & Principe have 4G?

And luckily in 2024 it finally happened, there is 4G in Sao Tome & Principe. There are also international prepaid sim cards that work in Sao Tome & Principe but the choice is very limited and it is not recommended unless you are willing to pay \$49.90 USD for 50 MB. you may also like.

How many mobile internet providers are there in Sao Tome & Principe?

There are two mobile internet operators in Sao Tome & Principe: Unitel and CST. CST is the biggest mobile internet provider in the country and you will see CST stands everywhere.

How to stay connected in Sao Tome & Principe?

Staying connected in Sao Tome is challenging, until recently there was not even 4G, but as of 2024 there is now finally also 4G in Sao Tome & Principe. Buying a local prepaid sim card is the best way to stay connected and it is fairly easy when arriving in Sao Tome.

When will 4G be available in Sao Tome?

Unitel announced in May 2023 that they will be the first operator to launch 4G in Sao Tome and they hold on to their word and as of 2024 Unitel, but also CST finally came with 4G in Sao Tome. Unfortunately there is not much data to be found online about the network strength around the country.

Which prepaid SIM card has the best network coverage in Sao Tome?

Apparently CST has the best network coverage in Sao Tome. More about it later when I speak about my experiences buying a prepaid sim card in Sao Tome. Prices below are stated in the Sao Tome Dobra, \$1 USD is around 22.8 STD. An Unitel prepaid sim card costs 80 STD which is around \$4 USD. It comes with 50 STD calling credit, but no data.

Should I buy a SIM card in Sao Tome?

Buying a sim card in Sao Tome is done pretty fast, you are instantly connected and it is not too expensive. Traveltomtom recommends an CTS sim card for Sao Tome based on advice from locals and my own experiences. However, Unitel recently announced that it will be the first mobile internet provider in Sao Tome who will launch 4G soon.
