

How to choose outdoor power supply in winter

Overview

Do you need a backup power supply for a winter storm?

If this happens, you need a strong backup power supply that can act as an additional energy source for your home. A portable power source like the RELiON Outlaw 1072S Portable Power Station can provide as much as 72Ah to help make sure you can have peace of mind and security during the most severe winter storms.

Do you need a portable power source for winter sports?

Wintertime may seem like a period of tough times, but it can also offer a period of fun and enjoyment in the cold wintry conditions. Many winter sports require you to be outdoors, often deep into secluded areas. A portable source of power can make sure you are able to heat food, power your electronics and stay warm while outdoors.

Are portable power stations good for winter sports?

Portable power stations are powerful enough to create an engaging event outdoors and power outdoor theater viewings, bars, and dances. Wintertime may seem like a period of tough times, but it can also offer a period of fun and enjoyment in the cold wintry conditions. Many winter sports require you to be outdoors, often deep into secluded areas.

How do I choose an outdoor outlet?

When choosing an outdoor outlet, be sure to select an outdoor-rated and weatherproof model with built-in, high-sensitivity GFCI\|. All exterior outlets should have spring-loaded covers to protect them from weather, pests, and most importantly, moisture.

Do I need a GFCI outlet if I run power outside?

When running power outside, a GFCI-equipped outlet is required by code in all areas exposed to moisture, such as the outdoors, and ensures safety. When

adding an outdoor outlet, be sure to choose an outdoor-rated, weatherproof model with built-in, high-sensitivity GFCI.

Do you need a battery for winter sports?

Some examples of winter sports that benefit from the use of a powerful and lightweight battery are: You may want or need to go off the grid during the winter months, in which case a strong and reliable power source is vital.
