

Hungary produces portable power banks

Overview

What is the best power Bank brand after Anker?

The RAVPower power bank is the best power bank brand after Anker, thanks to its numerous features. The brand never ceases to amaze its customers by introducing new features to some of the best power bank devices. With a focus on battery charger production since 2011, it has released the RAVPower Luster portable charger, which is a low-cost device.

Which power bank should I buy?

The Nimble Champ is our top recommendation for most folks, but we have all sorts of alternatives here. Read our Best MagSafe Power Banks guide for Apple-specific portable chargers, and our Best Portable Power Stations guide if you need more power. Updated June 2025: We've added power banks from Redmagic and Statik, and added a new FAQ.

What is the best power Bank brand?

All of this, combined with warranties that range from 1.5 to 5 years, makes Anker the best brand for power banks. While every power bank brand in this article is top tier, we've ranked them to give you a better idea of what the very best of the best is.

Can a power bank charge multiple devices?

Most modern power banks have a feature called pass-through charging that allows you to charge it and use it to charge other devices simultaneously. This is a handy feature if you have limited number of power outlets and what to charge multiple devices -- for example, when traveling. How long do power banks last?
