

# **Imported digital display outdoor power supply**

## Overview

---

Do LED sign modules work with LED power supplies?

Our LED sign modules (all IP-ranked at 65) work perfectly with our indoor and outdoor-use LED power supplies, so you won't need to shop anywhere else. The high IP ratings mean these modules supplies offer a high degree of protection against contact from hands and fingers, dust, accidental contact, and water.

Where can I find a full LED display solution?

If you're looking for a full LED display solution, make sure to check out our Slim Light Boxes and Outdoor Light Boxes. Display-Wholesale.com is the online consumer-direct division of Signworld America, Inc., which has over 50 years of experience in manufacturing and supplying display and signage solutions.

Are led sign modules IP rated?

The high IP ratings mean these modules supplies offer a high degree of protection against contact from hands and fingers, dust, accidental contact, and water. We offer same day shipping on LED Sign Modules that are ordered before 11 AM PST. Also, we offer bulk discounts to those that are willing to purchase box sets.
