## Overview

---

What are the best portable power stations in New Zealand?

Grid Escape's ATB & Pecron Portable Power Stations range are designed to withstand New Zealand's harsh elements. These compact yet robust units are perfect for any scenario, whether exploring the great outdoors, powering through work at a remote construction site, or staying prepared during an unexpected power outage.

How do I order a battery in New Zealand?

Order your battery from your desk and it will be delivered to your door - free to main centres in New Zealand. Be in complete control of the ordering process while you're 'one on one' with a battery specialist. Pay by Credit Card, Cheque or internet banking - your choice.

Where can I buy a battery in NZ?

Batteries Online has a wide range of high-quality batteries for sale including leading brands Yuasa, Century and Poweroad for collection NZ-wide. Simply choose the battery you need and we'll arrange a convenient pick up location for you.

Why should I buy a portable power station?

If you're going camping, off the grid or preparing for an emergency, our portable power station provides enough power to keep your appliances or devices operating.
