

Nordic moisture-proof battery cabinet price

Overview

Who is Nordic batteries?

At Nordic Batteries we assemble and manufacture customized battery- and energy storage solutions to drive your business forward. Based on our market and technological expertise we deliver solutions powering the green shift for key industries. High energy battery module produced in Norway from norwegian battery cells.

What is a lithium-ion battery charging cabinet?

The Justrite Lithium-Ion Battery Charging Cabinet is the ultimate solution for safely charging and storing your lithium-ion batteries. Each charging station locker has multiple layers of advanced shielding to help reduce the risk of battery fires and thermal runaway.

What is a Justrite battery storage cabinet?

Every Justrite battery storage cabinet is made from strong 18-gauge steel. It has double-walled sides, top, and bottom with a 1.5-inch air gap between the walls. The manual-close doors have baffled vents and a unique flame arrester pattern. They are supported by continuous piano hinges for a secure and reliable closure.
