

# **Oman energy storage tank equipment manufacturer**

## Overview

---

Oman Tank Terminal Company (OTTCO) is a wholly owned subsidiary of OQ () - Oman's integrated energy company. OTTCO was established in 2014 to develop the Middle East crude oil hub in Ras Markaz. Why should you invest in Oman Oil & Gas?

Presents a unique combination of offshore and floating storage with direct access to Oman's main oil fields and refinery. Potential for pipeline connection to other Gulf exporters. Promotes high-quality services to institutional clients and traders from around the world, particularly the Gulf region, East Africa and Asia.

Why is Oman a good place to invest?

Oman promotes foreign investments, allowing international companies to benefit from a low tax regime and a well-funded banking system, pushing forward private sector aspirations and revenue growth. RasMarkaz is part of SEZAD -a free zone-and so exempt from all corporate, customs and other taxes.

What are the different types of oil storage tanks?

Vertical Oil and Chemical Storage Steel Tanks as per API 650 or API 620.  
Cylindrical Horizontal Oil Storage Tanks as per BS and UL Standards.  
Rectangular Oil, Chemical and Water Storage Tanks as per UL Standards.  
Silos, Hoppers and Surge Bins. Flowback Tanks. Tank Inspection and Validation Services. Tank Maintenance Services.
