## Overview

---

What is a solar panel performance warranty?

A solar panel performance warranty guarantees a home solar panel installation will meet or exceed a baseline of electric power output over the panels' lifetime and warranty period. Solar panel output production will naturally degrade during its lifespan, though typically not more than 10-20% over 25 years.

What types of warranties cover solar panels?

There are two basic types of warranties that cover solar panels. A product warranty protects you from defects in a solar panel stemming from material quality or manufacturing errors. This is also referred to as an equipment or materials warranty.

How do I get a solar panel warranty?

Generally, the most robust warranties are obtained by hiring installation companies certified by the solar brands they represent. Alternatively, long warranties can also be secured from solar manufacturers that provide their own installation services. What Is Not Covered by a Solar Panel Warranty?

.

Do solar panels need a warranty?

The short answer is yes – a good warranty can provide valuable peace of mind and financial protection for your solar investment. Solar panel warranties offer a few key benefits: Essentially, a warranty acts as an insurance policy for your solar panels.

What is a solar energy power output warranty?

Solar energy power output warranties help guarantee that your panels won't rapidly lose efficiency, which would lead to lower and lower energy savings

over time. The typical solar array pays for itself in around 11 years and provides energy savings of more than \$31,513 over the following 14 years of expected panel life.

Which solar panel manufacturer has the best warranty coverage?

There are a few manufacturers that go above and beyond with their warranty protection. SunPower is, by far, the best solar panel manufacturer in terms of warranty coverage for its products, and Tesla is another excellent provider that has above-average coverage overall. Some of the best warranties come from the following manufacturers:
