A large, white industrial battery cabinet stands in a room with a green floor and a white ceiling. The cabinet's two doors are open, revealing the internal components. On the left side, there is a battery bank consisting of several modules connected by orange and black cables. On the right side, there is a power management unit (PMU) with various electronic components, including a display screen and several buttons. The cabinet is mounted on a white base. In the background, another similar cabinet is visible on the left, and a stack of equipment is on the right.
