

# **Uganda Customs with outdoor power supply**

## Overview

---

Can I import or export goods from Uganda?

If you are planning to import or export goods to or from Uganda, you need to be aware of the customs duty regulations that apply. Customs duty is a tax levied on goods that cross international borders, and it can affect the cost and profitability of your business transactions.

What are customs duties in Uganda?

Customs duties are essential revenues for the Ugandan government and play a significant role in regulating trade while ensuring compliance in the import and export of goods. In Uganda, the primary types of customs duties include import duties, export duties, and specific tariffs. Import duties are levied on goods brought into the country.

How much is import duty in Uganda?

Generally, these rates vary, with most products attracting an import duty that ranges from 0% to 25%. However, certain categories may incur higher rates depending on the specific product classification and the applicable laws governing trade and customs in Uganda.

Are You complying with Uganda Customs regulations?

As you know, customs regulations widely depend on the country. Before traveling to (or from) Uganda make sure to check the allowance and limits for the next things: Check the information below to be sure that you are complying with Uganda customs regulations. 250 grams total of any tobacco products. Restricted to travellers 18 years and over.

Why is comprehensive documentation important for import and export activities in Uganda?

When engaging in import and export activities in Uganda, comprehensive documentation is essential to ensure compliance with customs regulations

and to facilitate the smooth movement of goods across borders.

What is the difference between export and import duties in Uganda?

The Ugandan Revenue Authority (URA) has established specific duty rates depending on the classification of the goods, which can range from zero percent for essential items to varied rates for luxury goods. Export duties, on the other hand, are charges imposed on goods leaving Uganda.
