

Yemen Solar Panel Expansion Project

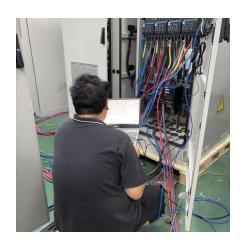

Overview

(MENAFN - Tawasul) Abu Dhabi, UAE - August 29, 2025 - Yemen's first and largest solar power facility will double its capacity to 240 megawatts following the groundbreaking of the second phase of the Aden Solar PV Plant, a 120MW expansion developed by UAE-based Global South Utilities (GSU), a Resources Investment Company, in partnership with Yemen's Ministry of Electricity and Energy.
